

Bites FOR LIGHTS

RECYCLING CHRISTMAS LIGHTS FOR FOOD

BITES FOR LIGHTS

The Sunrise Sertomans invite you to go "green" and recycle your non-working Christmas lights and extension cords. Bring your non-functioning lights and extension cords to participating businesses throughout Central Minnesota.

With the help of Crow Wing County Land Services, The Sunrise Sertoma Club of Brainerd will recycle the lights and cords through Crow Wing Recycling with 100% of the funds raised staying in the communities we serve in Central Minnesota.
